Give to MSK

Once you get to Memorial Sloan Kettering, located on Manhattan's Upper East Side, you'll find MSK Kids' Claire Tow Pediatric Pavilion.

Here, we have our comprehensive Pediatric Ambulatory Care Center, which is home to all of our outpatient care services, as well as the Inpatient Unit for children who need to stay overnight in the hospital. For those who need close observation or more intensive support, we have the Nicholls-Biondi Pediatric Intensive Care and Laura Rosenberg Observation units. We know hospital rooms aren't where you'd like to spend your time, so we do our best to deliver as much care as possible on an outpatient basis.

## **Customized care**

As part of Memorial Sloan Kettering, we closely collaborate with our colleagues <u>across all departments</u> to find and deliver the best <u>treatments</u> for your child. And at MSK Kids, age is only a number: We care for children of all ages, as well as teens and young adults who have been diagnosed with a pediatric cancer.
