**Nursing CEU Credit:** Molloy College, Continuing Education Department, is an approved provider of continuing nursing education by the New Jersey State Nurses Association, an accredited approver by the American Nurses' Credentialing Center's Commission on Accreditation. 2.0 Contact Hours for the program will be awarded.

## Educational and Performance Improvement Objectives

Upon completion of this educational activity, participants should be able to:

- Describe immunotherapy and immune-oncology
- Describe the multiple approaches to immunotherapy for cancer
- Describe new immunotherapy drugs/agents
- Discuss checkpoint inhibitors/blockade therapy
- Understand the side effects of immunotherapy for cancer

**Accreditation Statement:** This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Memorial Sloan Kettering Cancer Center (MSKCC) and Molloy College. Memorial Sloan Kettering Cancer Center is accredited by the ACCME to provide continuing medical education for physicians.

**Target Audience:** This course is directed towards physicians, nurse practitioners, physician assistants, nurses and social workers.

**CME Credit:** MSKCC designates this educational activity for a maximum of 2.0 AMA PRA Category 1 Credits™. Physicians should only claim credits commensurate with the extent of their participation in the activity.

**Disclosure:** MSKCC relies upon faculty participants in its CME Program to provide educational information that is objective and is as free from bias as possible. In accordance with the nationally accepted guidelines, faculty is asked to indicate any commercial relationship that might be perceived as a real or apparent conflict of interest.
