Radioactive Seed Localization for Breast Surgery

Friday, May 13, 2016

Conference Location:
MEMORIAL SLOAN KETTERING CANCER CENTER
Rockefeller Research Laboratories
430 East 67th Street, New York, NY 10065

Continuing Medical Education (CME) and Self Assessment Module (SAM) credits will be available for attendees.

Radioactive Seed Localization for Breast Surgery

MSK COURSE DIRECTOR
Kimberly N. Feigin MD
Associate Attending Radiologist

MSK FACULTY
Janice S. Sung MD
Assistant Attending Radiologist

Lisa M. Sclafani MD
Attending Breast Surgeon and Chief of Surgery, Regional Networks

Melissa P. Murray DO
Assistant Attending Pathologist

Daniel Miodownik
Radiation Safety Physicist

Cynthia Thornton RT (R)(M)
Technologist Supervisor Interventional Breast Imaging

David Gorman
Business Manager
Department of Radiology

TO REGISTER TODAY, PLEASE VISIT:
www.mskcc.org/rsl
Course Overview

Upon conclusion of this program, participants should be able to:

- Recognize advantages of a radioactive seed localized surgical procedure
- Begin to implement a breast radioactive seed localization program at participants’ institutions
- Understand how to perform radioactive seed placement, radioactive seed localized breast surgery, and radioactive seed tracking.

TARGET AUDIENCE

This course is directed towards radiologists, surgeons, pathologists, medical physicists, radiation safety officers, radiologic technologists, and pathology assistants.

ACCREDITATION STATEMENT

Continuing Medical Education (CME) and Self Assessment Module (SAM) credits will be available for attendees.

Memorial Sloan Kettering Cancer Center designates this live activity for a maximum of 3.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. The AMA has determined that physicians not licensed in the United States but who participate in this CME activity are eligible for 3.5 AMA PRA Category 1 Credit(s)™.

TO REGISTER TODAY, PLEASE VISIT:
www.mskcc.org/rsl

Registration includes continental breakfast, lunch, and refreshment breaks. Please contact us at least one week prior to the course if you have any special dietary needs.

Registration is complimentary for MSK staff who wish to attend this course. However, you must register online by visiting the Continuing Medical Education page on OneMSK.

ACCOMMODATIONS
For information on hotels in the area of MSK with discounted rates, please visit: www.mskcc.org/accommodations.

CONTACT
Continuing Medical Education
Memorial Sloan Kettering Cancer Center
633 Third Avenue, 12th Floor
New York, NY 10017
cme@mskcc.org

TARGET AUDIENCE
This workshop is intended to provide radiologists, surgeons, pathologists, medical physicists, radiation safety officers, radiologic technologists, and pathology assistants with the knowledge and techniques required to offer radioactive seed-guided breast surgery in their practices.

COURSE DESIGN
This course is comprised of lectures and interactive audience participation encouraging the intellectual exchange of ideas between faculty and participants.

ACCREDITATION STATEMENT
MSK is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA CREDIT DESIGNATION STATEMENT
MSK designates this live activity for a maximum of 3.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. The AMA has determined that physicians not licensed in the United States but who participate in this CME activity are eligible for 3.5 AMA PRA Category 1 Credit(s)™.

CE CREDITS
An application for 3.5 Category A Credits has been filed with the ASRT. Please visit www.mskcc.org/rsl for course updates.

EVALUATION
A course evaluation survey sent out electronically will provide attendees with the opportunity to review the sessions and the speakers and to identify future educational needs.

OUTCOMES MEASUREMENT SURVEY
Six months after the end of the course an Outcomes Measurement Survey will be sent to all participants to help us determine what positive impacts have been made on participant practice as a result of the course.

FACULTY DISCLOSURE
It is the policy of MSK to make every effort to insure balance, independence, objectivity, and scientific rigor in all continuing medical education activities which it sponsors as an ACCME accredited provider. In accordance with ACCME guidelines and standards, all faculty participating in an activity sponsored by MSK are expected to disclose any significant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services which are discussed by the faculty members in an educational presentation. As required by the ACCME, when an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, MSK requires the speaker to disclose that the product is not labeled for the use under discussion or that the product is still investigational.
