

Women in Science & Medicine Series

Becoming a Resilient Scientist

Sharon Milgram, Ph.D.

Director, NIH Office of Intramural Training and Education

Please join us for a lecture and interactive workshop, during which we will discuss attitudes and behaviors that can get in our way and explore strategies for **building resilience, dealing with self-doubt, and developing confidence** during graduate school and post doctoral training.

Open to researchers at all stages of their careers.

Please note: the 1-hour lecture will be followed by an optional, hands-on workshop

Tuesday, March 19th at 3:30 p.m.

ZRC Auditorium

Refreshments will be provided between lecture and workshop

Sponsored by GSK Women in Science and FACES, the Female Association for Clinicians, Educators and Scientists
