

Treatment-Free Remission for CML Patients

We hope you can join us for this free virtual program!

SPEAKERS:

Michael Mauro, MD
Hematologist and Oncologist
Memorial Sloan Kettering Cancer Center

Erin Zammett Ruddy
Author of *The Little Book of Life Skills*
CML Survivor

PROGRAM:

Patients, caregivers, and healthcare providers* are invited to join The Leukemia & Lymphoma Society for this free, virtual program on treatment-free remission for CML patients.

Dr. Michael Mauro of Memorial Sloan Kettering Cancer Center will provide an overview of treatment-free remission, including what it means and when patients should consider it as a potential treatment goal. He will then be joined by CML survivor Erin Zammett Ruddy for a conversation on treatment-free remission from the patient perspective.

A Q&A session will follow the presentation. Participants will also learn about the support resources available in their community and through The Leukemia & Lymphoma Society.

**This is not a continuing education (CE) program.*
