Memorial Sloan Kettering and SHARE present:

What's the Story with HPV and Cervical Cancer?

Wednesday, April 20th, 2022
6:30 p.m., ET

What's the connection between HPV and cervical cancer? Is the HPV vaccine right for you? On Wednesday, April 20, MSK and SHARE team up to answer these questions. Join Dr. Deborah Goldfrank, Head of MSK's General Gynecology Department, and SHARE's Aisha McClellan, cervical cancer survivor and advocate, for the online discussion.
