## Pavilion details

### May I bring my kids to Patient Recreation Pavilion?

Yes, but we ask that they be accompanied by an adult.

### May I bring food to the Patient Recreation Pavilion?

Yes. Out of consideration for patients who cannot tolerate the smell of food, we ask that you take your aromatic foods to the cafeteria on M1.

### I'm not comfortable going down the entrance ramp. How can I get there?

If you are unable to manage the ramp we suggest you call 212.639.5978 (ext. 5978) to have someone come assist you — or you may avoid the ramp by:

- › Take the M elevator to 2.
- › Transfer to the B or C elevator.
- › Take either of those elevators to 14.
- › B & C elevators open directly into the Pavilion.

We offer jig-saw puzzles, cards, sewing projects, wood projects, paint, board games, free books and more!

Use items in the Patient Recreation Pavilion, take back to your room, or call 212.639.5978 (ext. 5978) and we can bring them to you.
