

The MSK Center for Tumor-Immune Systems Biology Symposium

Tuesday, May 27th, 2025

9:30 AM- 5:00 PM

ZRC Auditorium | MSKCC

Scientific Presentations | Poster Session
Reception to follow

KEYNOTE SPEAKER

Catherine Wu, MD

Professor, Dana Farber Cancer Institute
and Harvard Medical School

Co-Organized by:

Memorial Sloan Kettering
Cancer Center

THE PROGRAM FOR
MATHEMATICAL
GENOMICS

COLUMBIA

COLUMBIA UNIVERSITY
HERBERT IRVING COMPREHENSIVE
CANCER CENTER

Andrea Schietinger, PhD

Member,
Immunology, MSK

Anum Glasgow, PhD

Assistant Professor, Biochemistry & Molecular
Biophysics, Columbia University

Alberto Ciccia, PhD

Associate Professor, Genetics &
Development, Columbia University

Mara Sherman, PhD

Associate Member,
Cancer Biology & Genetics, MSK

A. Ari Hakimi, MD

Associate Attending,
Surgery, MSK

Bing Ren, PhD

CEO & Scientific Director, NYGC
Associate Director, Vagelos Institute for Basic
Biomedical Science, Columbia University

Xiao Huang, PhD

Research Associate,
Immunology, MSK

Stavroula Kousteni, PhD

Professor, Physiology & Cellular Biophysics,
Columbia University

Zach Sethna, PhD

Senior Research Scientist,
HOPP, MSK

Andrea Califano, PhD

Clyde and Helen Wu Professor, Chemical &
Systems Biology, Columbia University,
President, Chan-Zuckerberg Biohub NY
