CARE OF THE OLDER ADULT ACROSS THE CANCER CONTINUUM SUPPORTIVE CARE CONSIDERATIONS

More than
60%
of cancers in the
United States
occur in people
65 and older
and the field
of geriatric
oncology
is rapidly
evolving.

Target Audience

This course is directed towards oncologists, primary care physicians, geriatricians, advanced care practitioners, oncology nurses, and other healthcare professionals involved in the care of older adult cancer patients.

Course Overview

Cancer treatment and supportive care should be tailored to the diverse needs of the older cancer patients. This multidisciplinary symposium will provide healthcare professionals with knowledge about the evaluation and management of older adults with cancer. Methods to efficiently integrate elements of geriatric assessment into a daily oncology practice will be included. Experts will discuss management and treatment of non-oncological conditions in older adults with cancer. Nursing and other allied healthcare professionals will also discuss special older adults' medical and social needs.

There is a discounted rate for MSK Alliance Members and MSK Alumni, and complimentary registration for MSK staff to attend this course. Please see registration for more information.

COURSE DESIGN

This course is comprised of lectures and interactive audience participation encouraging the intellectual exchange of ideas between faculty and participants.

EVALUATION

A course evaluation survey sent out electronically will provide attendees with the opportunity to review the sessions and the speakers and to identify future educational needs.

AMA CREDIT DESIGNATION STATEMENT

MSK designates this live activity for a maximum of **5.5 AMA PRA Category 1 Credits™**. Physicians should only claim credit commensurate with the extent of their participation in the activity. The AMA has determined that physicians not licensed in the United States but who participate in this CME activity are eligible for **5.5 AMA PRA Category 1 Credit(s)™**.

NURSING EDUCATION CREDIT

This activity has been submitted to Memorial Sloan Kettering Cancer Center for approval to award contact hours. Memorial Sloan Kettering Cancer Center is accredited as an approver of continuing nursing education by the Northeast Multistate Division (NE-MSD), an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

For more information regarding contact hours, please call the Office of Continuing Education at (212) 639-6884.

ACCREDITATION STATEMENT

MSK is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

FACULTY DISCLOSURE

It is the policy of MSK to make every effort to insure balance, independence, objectivity, and scientific rigor in all continuing medical education activities which it sponsors as an ACCME accredited provider. In accordance with ACCME guidelines and standards, all faculty participating in an activity sponsored by MSK are expected to disclose any significant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services which are discussed by the faculty members in an educational presentation. As required by the ACCME, when an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, MSK requires the speaker to disclose that the product is not labeled for the use under discussion or that the product is still investigational.

OUTCOMES MEASUREMENT SURVEY

Six months after the end of the course an Outcomes Measurement Survey will be sent to all participants to help us determine what positive impacts have been made on participant practice as a result of the course.

ACCOMMODATIONS

For information on hotels in the area of MSK with discounted rates, please visit: mskcc.org/accommodations.
