Genetic correction of Wiskott-Aldrich syndrome
CHRISTOPH KLEIN, MD, PhD
Department of Pediatric Hematology/Oncology
University of Hannover, Hannover, Germany

Genome-wide studies of retroviral vector integration
FREDERIC D. BUSHMAN, PhD
Department of Microbiology
University of Pennsylvania
Philadelphia, PA

Globin gene transfer to treat β-thalassemia
FARID BOULAD, MD
Department of Pediatrics, MSKCC

Genomic safe harbors
EIRINI P. PAPAPETROU, MD, PhD
Center for Cell Engineering, MSKCC

Meganucleases and genome surgery
FREDERIC PAQUES, PhD
Chief Scientific Officer
Cellcitis, France

Gene Targeting with Adeno-Associated Virus Vectors
DAVID RUSSELL, MD, PhD
Division of Hematology
University of Washington School of Medicine

THURSDAY, JANUARY 13, 2011
HOFFMANN AUDITORIUM
2:30 PM TO 5:30 PM

REFRESHMENTS WILL BE SERVED AT 2:15 PM

MEMORIAL SLOAN-KETTERING CANCER CENTER
