Tumor Board

Memorial Sloan Kettering Cancer Center (MSK) presents:

Head and neck cancers are among the leading causes of cancer morbidity and mortality in India and globally. To improve patient outcomes through research and education, we are excited to present an educational series with the leading institutions in India. The host institution for this event on Surgical Margins in Management of Oral Cancer is Apollo Hospital in Mumbai. We will be discussing two cases and two lectures.

Lecture 1: Current State of the Art in Margin Assessment
(presented by: Apollo Associate Consultant Dr. Sataksi Sanyal Chatterjee)

Case 1: Management of Early Oral Cancer
(presented by: Apollo Maxillofacial Fellow Swayambhu Bhandarkar)

Lecture 2: New Technology for Margin Assessment
(presented by: MSK Head and Neck Surgeon Dr. Snehal Patel)

Case 2: Management of Locally Advanced Oral Cancer
(presented by: MSK Fellow Dean Page)
